

TYPING CENTRE MANAGEMENT SOFTWARE

Qirtasix

Know your real profit on every file

Invoice typing, visa, Emirates ID, labour and immigration services, take cash, card and bank payments, and see what you earn after government fees and commissions.

The screenshot displays the Qirtasix software interface. On the left is a dark blue sidebar with a menu. The main area is light yellow and contains a search bar, a welcome message for the Administrator, and a grid of 15 modules. Each module shows a count and a brief status.
